Shower Stool

Article no. LFR101

Let's Frisbee is a new shower stool with modern design intended for use in the shower or bathroom. The stool has a beautiful and sturdy construction for safe and secure use. It also has a rotating soft cushion plate that makes it easy for users to clean themselves in the most comfortable way possible. The legs are easily adjustable to the required height with a simple push button. With its compact design, the stool is designed to fit in any location.

Let's Shower is adjustable from 45 to 53 cm. The height is adjusted by pressing the buttons on the legs and pulling the lower legs to the desired positions, after which the buttons will be locked in place in the adjustment holes.

Important: Always adjust the legs to the same height to avoid falling accidents.
